

DNS ELECTRICAL ENGINEERING

FIRE & SAFETY MANAGEMENT

An ISO 9001:2015 & CE Certified Company

**Leading Manufacturer, Supplier & service Providers of Fire Fighting Equipment's.
Spl. In: Projects of Fire Fighting, Electrical Panel Detection & Suppression, Kitchen Suppression, Room Suppression, All
Type Fire Detection & Suppression system.
(Fire Consultant & AMC Services For Type Of Fire System)**

COMPANY PROFILE

FIRE SAFETY / ENVIRONMENT CONSULTATION / FIRE AUDIT / RISK ASSESSMENT / FIRE & SAFETY MANAGEMENT / ENVIRONMENT ENGINEERING SERVICES / FIRE PROTECTION DESIGNING/ ERECTION & COMMISSIONING PROJECT.

“DNS FIRE & SAFETY ENGINEERING WORKS” An ISO 9001-2015 certified & CE approved company, Establish. The offer total fire risk safety/environment solutions and control fire hazard /safety environment losses. We provided consulting, designing, planning, fabrication & execution of complete project for fire detection / protection where there is danger of fire risk.

We ***“DNS FIRE & SAFETY ENGINEERING WORKS”*** are offering a fire safety consultancy, consistent quality & client satisfaction with complete services like designing, supplying, installation, testing & commissioning of Fire Protection Systems on Turnkey basis and reliable Fire Protection Services. The protection systems include namely all type of Fire Extinguishers(manual & automatic), Fire Fighting System (water based), Hose Reel System, Sprinklers system, Fire alarm & Detection system, Fire Suppression Systems (gas based), Emergency light, all kind of firefighting equipment, Fire Door, fire safety & security system and Sea Max Fire Modular. Manufactured in compliance with international standards, these ensure high performance and are act as safety components at the time of any accident.

Moreover, our reliable service of Emergency Evacuation Plan, Glow & Non Glow Safety Signage, factory policies, Fire Extinguishers Refilling, Annual maintenance of all types of fire safety systems, fire safety training & drill, consultancy / compliance of fire safety & security systems, repair & maintenance of all kind of firefighting systems, high standards, excellent quality, competitive pricing and timely service has enabled us to make a renowned position in the market. Be it any possible disaster, our management company takes well care of that and provide maximum satisfaction to the clients by providing safe fire protection services. The 24 hours service can avail within the client budget and owing to this, we have received utmost appreciation from our clients.

Moreover, our efforts would never come out to be possible without our able mentor **Mrs Lata devi & Mr Ishwar Kargwal**, who has guided the team professionals to bring out an exceptional range of fire protection systems and reliable services.

About Us

“DNS FIRE & SAFETY ENGINEERING WORKS” Established since 2004 offered consistent quality and dependable fire and safety products and specialized protection services. You don't have to think twice. Our customers know they can expect the best in quality and service due to the fact that our business rests on bedrock of traditional family values. We offer all types of safety products from respiratory products to gas detection products.

“DNS FIRE & SAFETY ENGINEERING WORKS” is one of the leading supplier & Manufacturer of fire-fighting equipment's in PAN INDIA basis with the brand name of . **DNS FIRE & SAFETY MANAGEMENT** is one of the progressive firm in the field of fire- fighting equipment. Company Manufacturers all types of fire detection and suppression system for electrical panel, server rooms, transformers, hotels, offices, malls, kitchen suppression system, foam, powder and co2 based suppression system. Automatic vehicle fire detection and suppression system. The Firm has professional staff for providing the best solution to our clients. The firm's prime objective is to provide the quality products & services by maintaining high standard of quality assurance and personal relationship with clients. We are reliable manufacturer of fire - fighting equipment's based in Delhi , all our process from raw material to finish product done by well experience Trained professional . We never compromised in our product's quality. Company Works with dealer network to provide easy service and product on pan India basis.

We service what we sell unlike many others!

With our high standards, we believe that consistent quality, competitive pricing and personalized service are the secret to our ongoing success. Fundamental values provide a foundation for our fire and safety products and customer service, and attention to detail remains a family tradition. We are one of the oldest and most trusted names in industrial fire protection services and safety products since 2004.

Our Team

We are backed by an efficient team of experienced professionals who strive to deliver the best quality of Fire Protection Systems and Services to the clients. All work in coordination keeping in mind the prime goal of the organization that is to meet the client's needs and requirements. Moreover, they also focus at delivering timely service in order to maintain a trust and reliable name in the industry.

The team members include:

Fire Extinguisher engineers

- Technocrats
- Projects Management
- Quality controllers
- Public Dealing for Fire & Safety
- Fire & safety Training & Testing
- R&D personnel
- After sales support
- Sales And Marketing Representatives
- Warehouse and Packaging personnel

Infrastructure

In the past 24 years, we have established a highly advanced infrastructure amongst all our competitors in the industry. It is further segmented into multiple departments and units where each professional works in sincere coordination with another expert. Moreover, our manufacturing unit is installed with modern machines and equipment to accelerate the entire production process. These machines are regularly serviced and maintain their high performance all through. In addition to this, we also keep updating ourselves about the latest market trends and developments and endeavor to bring an innovative and highly advance range of Fire Protection Systems.

Domain Expertise

We hold expertise in Fire Protection System and provide services in the designing, erection, testing & commissioning of the systems.

- **Re-engineering** of previous fire protection systems, on the basis of discrepancies or the extension modification as per risk or the client needs.
- **Fire Protection Systems** designing, erection, testing & commissioning on the basis of risk assessment or as per occupancy risk code of practices.
- **Fire Engineering Services**:-Annual maintenance contract of fire protection systems, non– destructive testing of Hydrant pipelines, fire protection system design assessment, performance assessment, risk- wise adequate assessment. Concept to commissioning of fire protection systems for industrial risk/ processes, storage & high rise buildings, modification of installed fire protection systems of industrial premises, Commercial complex, Group housing societies, Hospitals and Hotels.
- **Accident investigation & Re-designing** Safe Approach and programs conducted at sites for Severe injuries & fatal cases or accidents occurring from corrosive liquid, fumes, gas exposures, dangerous machinery, fire & explosions .As part of the state authorities, restructuring of the sequence of failure events done to arrive at the roots of accidents, fire & explosions (thermal & Non- Thermal) cases and re-designing future safety measures thereof .
- **Safety Engineering Services**:-Competency of states, certification of PV lifting tackles, dangerous machines, AMCs for testing, examination & certification of PV, LT, NDT for petrochemicals, chemicals, textiles, Audits:- Safety / Fire / Electrical / Energy.
- **Conducting HAZOP & FMEA**: - Towards reducing process failure induced breakdowns, accidents & Fires.

Specialized services in

Residential: - Group Housing societies, high Rise Complexes, Mall Centers.

Industries :- Chemical Plants, Rubber Plants, Petra Chemical Plants, Power Plants, Textiles Industries, Auto Industries, Warehouses, Pharmaceuticals Plants, Refineries, Cement Plants, Hospitals, Hotels, Museums, Laboratories .

Others: - Military Installation, Power Transformers, Airports, Panel Installation, Shipping Industries, Constructions Sites.

1. Electrical Panel Automatic Fire Suppression System.

(Used Chemical Novec 1230, FK-5-1-12, and HFC 227ea & Co2 system For A, C, D Class Type Fire). The Protection Application (LT Panel, HT Panel, Transformers Oil & Dry Type) System Approved by: CE, PESO, UL & FM Certified Etc.

2. Kitchen Automatic Fire Suppression system.

(Used Chemical Potassium acetate For K & F Class type Fire) The Application Protection (Hotel Kitchen areas, Food Court, all Type of Restaurant Kitchen) System Approved by: CE, PESO, UL & LPCB FM Certified Etc.

3. Room Flooding Automatic Fire Suppression & Detection System.

(Used Chemical Novec 1230, FK-5-1-12, HFC 227ea & Co2 system Foam Based system For A,B, C, D Class TYPE Fire) The Application Protection (Office areas, Server Room, Food Court, all Type of Restaurant, Hotel, Mall I.T Sectors) System Approved by: CE, PESO, VDS, UL & FM Certified Etc.

4. Fire Alarm & Detection System.

(Used for detection of fire to through only Fire Detection, Heat detector, smoke detector, beam detector and gas detector The Application Protection (Office areas, Server Room, Food Court, all Type of Restaurant, Hotel, Mall I.T Sectors)

5. Vehicle Fire Detection & Suppression System.

(Used Chemical Co2 system, Foam Based & DCP Powder system For A, B, C, D Class TYPE Fire) The Application Protection (Bus , Car , JCB & Cat Mines Vehicle With all Type of loading Vehicle)

Scope of Services & Approval Certificate

As per IS code/NFPA- (USA)/FM/FMC/UL/Oil safety directorate rules directorate explosive rules & regulation/parameters/industries norms and fire safety act, National Building bylaws practice.

- 1. CE CERTIFICATE CERTIFICATE OF COMPLIANCE**
- 2. ISO 9001:2015 QUALITY MANAGEMENT SYSTEM**
- 3. ISO 45001: 2018 OH & S-OCCUPATIONAL HEALTH & SAFETY.**
- 4. ISO 10002:2018 QUALITY MANAGEMENT – CUSTOMER SATISFACTION HANDLING .**
- 5. ISO 14001:2015 ENVIRONMENTAL MANAGEMENT SYSTEM.**

Quality Assurance

We are truly devoted to figure out the current and future requirements of our esteemed clients and for this; we strive to deliver them an incomparable range of Fire Protection Systems. Owing to these traits, we have positioned ourselves amongst the most reliable manufacturers, exporters and service providers in the industry.

Furthermore, we have appointed highly qualified quality controllers who analyze and review each product and ensure their timely delivery. Moreover, they also train our experts as how to enhance the quality of services.

Client Satisfaction

We are the leading manufacturer as well as service provider. Hence, our focus is always to provide maximum satisfaction to our clients by our products as well as by our fire protection services. From installation to designing, everything is handled by our experienced team of professionals. Moreover, we make sure that as soon a client calls us for emergency service, we reach the desired destination on time. In addition to this, we also keep in mind the varied needs of the clients and thus, we provide our products and services within their budget constraints. Owing to these features, we have received utmost trust of our clients and we promise to maintain the same consistency each passing day.

Why Us?

We have been appreciated amongst our leading competitors because of the following factors:

- *Hi-tech infrastructure*
- *Quality Products*
- *Best Installation, Testing & Commissioning*
- *Prompt & Excellent Service*
- *Efficient team of experts*
- *Competitive price*
- *Cost effectiveness*
- *Timely delivery of products*
- *Top Class Customer Coordination/support*
- *Timely services*
- *Best attention and 24 Hours Customer Care*

OUR PRODUCTS & SERVICES RANGE:-

1. **REFILLING OF FIRE EXTINGUISHERS :-** **Compete range of** CLEAN AGENT FIRE EXTINGUISHER S, ABC FIRE EXTINGUISHERS, AUTOMATIC FIRE EXTINGUISHERS, FIRE MODULARS, CO2 FIRE EXTINGUISHERS, MECHANICAL FOAM (AFFF) FIRE EXTINGUISHERS, DRY CHEMICAL POWDER (DCP) FIRE EXTINGUISHERS, WATER CO2 FIRE EXTINGUISHERS.
2. **FIRE EXTINGUISHERS:-** **Compete range of** CLEAN AGENT FIRE EXTINGUISHER S, ABC FIRE EXTINGUISHERS, AUTOMATIC FIRE EXTINGUISHERS, FIRE MODULARS, CO2 FIRE EXTINGUISHERS, MECHANICAL FOAM (AFFF) FIRE EXTINGUISHERS, DRY CHEMICAL POWDER (DCP) FIRE EXTINGUISHERS, WATER CO2 FIRE EXTINGUISHERS.
3. **FIRE SUPPRESSION SYSTEM (GAS/CHEMICAL BASED):-** **Designing, Supplying, fixing, Testing & commissioning of** CLEAN AGENT/INERGEN FIRE SUPPRESSION SYSTEM, FM200 (HFC-227),FK 5-1-12 FIRE SUPPRESSION SYSTEM, CO2 (CARBON DIOXIDE) FIRE SUPPRESSION SYSTEM, CLEAN AGENT FIRE SUPPRESSION SYSTEM, KITCHEN/RESTAURANT FIRE SUPPRESSION SYSTEM.
4. **FIRE FIGHTING SYSTEM (WATER BASED):-** **Designing, Supplying, fixing, Testing & commissioning of** AUTOMATIC WATER SPRINKLER SYSTEM, HYDRANT SYSTEM, HOSE REEL SYSTEM, FIRE FIGHTING SYSTEM
5. **FIRE DETECTION & FIRE ALARM SYSTEM: -** **Designing, Supplying, fixing, Testing & commissioning of** CONVENTIONAL FIRE ALARM SYSTEM, ADDRESSABLE FIRE ALARM SYSTEM, PUBLIC ADDRESS (PA) SYSTEM, SMOKE DETECTOR, HEAT DETECTOR, MULTISENSOR DETECTOR.
6. **FIRE SAFETY SIGNAGES: -** **Designing, Supplying & fixing of** All kinds of GLOW SIGNAGES, NON-GLOW SIGNAGES
7. **FIRE FIGHTING ACCESSORIES/EQUIPMENTS:-** **Designing, Supplying, fixing, Testing & commissioning of** All TYPES OF HYDRANT ACCESSORIES **like** Hose Box, First Aid Hose Reel (RRL), Hose Reel, Fire Hose Delivery Coupling, Fire Man Axe, Coupling, Butter Fly Valve, Fire Stand, NRV (Non Return Valve), Short Branch Pipe, Shut of Nozzle, Draw Out Connection, Landing Valve, Sprinklers, Fire Bridge Connection, Adaptors for Hydrant, Fire Bucket, Fire Beater.
8. **RECHARGEABLE LED EMERGENCY EXIT LIGHT: -** **Compete range of** rechargeable led emergency exit light for all types of premises.
9. **EMERGENCY EVACUATION PLAN IN CASE OF FIRE :-** **Designing, Supplying, fixing, Testing & commissioning of** Emergency exit plans for All kinds of premises.
10. **ANNUAL MAINTENANCE CONTRACT: -** All kinds of FIRE FIGHTING SYSTEM, FIRE ALARM & DETECTION SYSTEM, FIRE EXTINGUISHERS, FIRE PROTECTION SYSTEM, FIRE SUPPRESSION SYSTEM.

KINDLY LOOK INTO THE SAME & FEEL FREE TO CONTACT US FOR FURTHER CLARIFICATION.

WAITING FOR YOUR GOOD RESPONSE.

Thanks & Regards...

Be Care & Be Safe

Certificate of Compliance

This is to certify that the technical documentation/inspection/test results comply with the requirement of Personal Protective Equipment Directive 89/686/EEC manufactured by:

NAME: **DNS ELECTRICAL ENGINEERING
(FIRE & SAFETY MANAGEMENT)**

ADDRESS: PLOT NO. 301, GALI NO.27, KOTLA VIHAR PHASE 2, NAGLOI NAJAFGARH ROAD, SOUTH WEST DELHI - 110041, INDIA

SCOPE: ALL TYPES NEW SALE, SERVICES, PARTS & INSTALLATION WORK AVAILABLE FIRE ALARM & GAS SUPPRESSION, DETECTION & FIRE PROTECTION SYSTEM IN ELECTRICAL PANEL, SERVER ROOM, HOTEL, OFFICE & KITCHEN AREAS

PRODUCTS: FIRE/HEAT DETECTION TUBE, AUTOMATIC FIRE SUPPRESSION SYSTEM, AUTOMATIC KITCHEN FIRE SUPPRESSION SYSTEM, AUTOMATIC VEHICLE FIRE SUPPRESSION SYSTEM, AUTOMATIC TOTAL ROOM FLOODING SYSTEM, ALL TYPE FIRE EXTINGUISHER

COMPLIES WITH THE REQUIREMENTS APPLICABLE TO IT

The Certification Body has performed an independent audit of the above product quality system covering the design, manufacture and final inspection of the certified product. The quality system has been assessed, approved and is subject to continuous surveillance according to the Personal Protective Equipment Directive 89/686/EEC.

THIS CERTIFICATE IS ISSUED UNDER THE FOLLOWING CONDITIONS:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.
4. After fulfilling the relevant EU legislation, the manufacturer shall affix to each device, of the above referenced models.
5. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production.
